J. R. says,

"Join me at the fabulous Showcase Art Center in Greeley Colorado for a 2 Day workshop designed to really help you see, design, and represent the West as a painter. We will meet at 9:00 a.m. and wrap things up by 4:00 p.m. Thursday and Friday October 10th and 11th.

You will work hard for two days as I lecture, model, critique, and help you see, design, and execute stunning paintings inspired by the beauty of the West! I will demonstrate in watercolor; however, if you are more comfortable in another medium the strategies and concepts will apply to oils, acrylics, and dry media. You won't sit and watch for 2 days, no way! You will see me do and then you will take a whack at it. I will watch and mentor you as we go. Teaching in this fashion allows me to assist everyone no matter what the individual artist's experience level.

As always we will be having loads of fun along the way.

I look forward to seeing you in October! The workshop is limited in space so make sure and contact Colette soon."
