Gallery Exhibits Information

1. The Library display space is in a building open to the public; therefore, each artist must consider subject matter and content of items to be displayed in the Library.
2. The Library provides its own art display hardware system. To prevent damage to the gallery walls, please do not use any other means to hang or attach art to the walls.
3. The gallery space has a small table where artists may leave pamphlets and business cards. A tabletop sign may also be displayed.
